### Task 1. School District Information

#### Disclaimers

The Department will review the contents of each school district's/BOCES' Annual Professional Performance Review (APPR) plan as submitted using this online form, including required attachments, to determine if the plan rigorously complies with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. Department approval does not imply endorsement of specific educational approaches in a district's/BOCES' plan.

The Department reserves the right to request further information from a district/BOCES to monitor compliance with Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents. As such, each district/BOCES is required to keep detailed records on file for each section of the currently implemented APPR plan. Such detailed records must be provided to the Department upon request. The Department reserves the right to disapprove or require modification of a district's/BOCES plan that does not rigorously adhere to the requirements of Education Law §3012-d and Subpart 30-3 of the Rules of the Board of Regents.

The Department will not review any attachments other than those required in the online form. Any additional attachments supplied by the school district/BOCES are for informational purposes only for the teachers and principals reviewed under this APPR plan. Statements and/or materials in such additional attachments have not been approved and/or endorsed by the Department. However, the Department considers void any other signed agreements between and among parties in any form that prevent, conflict, or interfere with full implementation of the APPR Plan approved by the Department. The Department also reserves the right to request further information from the school district/BOCES, as necessary, as part of its review of this plan.

If the Department reasonably believes through investigation, or otherwise, that statements made in this APPR plan are not true or accurate, it reserves the right to reject this plan at any time and/or to request additional information to determine the truth and/or accuracy of such statements.

#### Page 1: Task 2.1 (Assurances) and Task 2.2 (4-8 ELA and Math)

##### REQUIRED SUBCOMPONENT

(100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with the Optional subcomponent)

(A) For a teacher whose course ends in a State-created or administered test for which there is a State-provided growth model and at least 50% of a teacher's students are covered under the State-provided growth measure, such teacher shall have a State-provided growth score based on such model.

(B) For a teacher whose course does not end in a State-created or administered test or where less than 50% of the teacher's students are covered by a State-provided growth measure, such teacher shall have a Student Learning Objective (SLO) developed and approved by his/her superintendent or another trained administrator, using a form prescribed by the Commissioner, consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any teacher whose course ends in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.

#### 2.1) Assurances

Please check the boxes below:

|  |         |
|--|---------|
| Assure that the growth score provided by NYSED will be used, where required.   | Checked |
| Assure that back-up SLOs will be set by the superintendent or another trained administrator for all 4-8 ELA and Math teachers in the event that a State-provided growth score cannot be generated for that teacher.  | Checked |
| For any grade/subject that requires a back-up SLO, but for which there are not enough students, not enough scores, or data issues that prevent a teacher-specific SLO from being created, the superintendent or another trained administrator shall develop a school-wide back-up SLO using available State/Regents assessments. | Checked |

#### STATE-PROVIDED MEASURES OF STUDENT GROWTH

For teachers in grades 4 - 8 Common Branch, ELA, and Math, NYSED will provide a growth score and rating. That rating will incorporate students' academic history compared to similarly academically achieving students and takes into consideration students with disabilities, English

language learners, students in poverty, and, in the future, any other student-, classroom-, and school-level characteristics approved by the Board of Regents. While most teachers of 4-8 Common Branch, ELA and Math will have State-provided scores and ratings, some may teach other courses where there is no State-provided growth measure. Teachers with 50 – 100% of students covered by State-provided growth measures will receive a growth score and rating from the State for the full Student Performance category of their evaluation. Teachers with 0 – 49% of students covered by State-provided growth measures must have SLOs for the Student Performance category of their evaluation and one SLO must use the State-provided measure if applicable for any courses. (See APPR Guidance and SLO Guidance for more detail on teachers with State-provided growth measures and SLOs.)

**For those teachers who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO process in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that teacher.**

## 2.2) Grades 4-8 ELA and Math: Assessments

**Using the drop-down boxes below, please select the assessment that will be used for the back-up SLOs for the grade/subject listed.**

**Please note:** If your district/BOCES does not have grade/subject-specific teachers for one or more of the rows in task 2.2, choose "Not Applicable" from the drop-down box. This would be appropriate if, for example, the district/BOCES does not have certain grades; the district/BOCES does not offer a specific subject; etc. If a grade/subject ends in a State assessment, i.e., 4-8 ELA or Math, such assessment must be used as the underlying evidence for the SLO.

**2.12) Teachers with More Than One Growth Measure**

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Common branch teacher with State-

provided measures for both ELA and Math in grade 4; middle school math teacher with both 7th and 8th grade math courses.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO). For more information on teachers with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 2.13) Assurances

For guidance on SLOs and the development of back-up SLOs, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

|  |         |
|--|---------|
| Assure that the teacher has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.  | Checked |
| Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history. | Checked |
| Assure that all growth targets are approved by the superintendent or another trained administrator.  | Checked |
| Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.   | Checked |
| Assure that if a teacher's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 2.11, then the teacher's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.   | Checked |
| Assure that processes are in place for the superintendent to monitor SLOs.   | Checked |
| Assure that the final Student Performance category rating for each teacher will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents.  | Checked |

### 2.14) Use of the Optional Subcomponent and Student Performance Category Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

Please indicate the use of the Optional subcomponent by making the appropriate selection below. Information related to the Optional subcomponent will be entered into Task 3.

The Optional subcomponent WILL NOT be used; the Required subcomponent will comprise 100% of the Student Performance category.

#### Page 1: Task 3.1 (Use of the Optional Subcomponent of the Student Performance Category)

##### OPTIONAL SUBCOMPONENT

(Up to 50% of Student Performance category if selected)

Such second measure shall apply in a consistent manner, to the extent practicable, across all classrooms in the same grade/subject in the district/BOCES and be either:

- (A) a second State-provided growth score on a State-created or administered test; provided that the State-provided growth measure is different than that used in the Required subcomponent, or
- (B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

#### 3.1) Use of the Optional Subcomponent of the Student Performance Category

Please indicate the use of the Optional subcomponent by making the appropriate selection below.

- If the Optional subcomponent WILL be used, please fill out tasks 3.2-3.12 by using the "Next" button to move through each task.

The Optional subcomponent WILL NOT be used in the Student Performance category for any teacher.

## Task 4. Teacher Observation Category

**Please note, within this section, task 4.1 may contain the rubric selection(s) from your plan as it existed on June 2, 2015.\* The remaining tasks in this section will not contain data from your previous plan and must be completed.**

*\* Please note that documents and language will not be pre-populated into the plan if your district/BOCES chose to start with a blank application.*

For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

#### 4.1) Teacher Practice Rubric

Select a teacher practice rubric from the menu of State-approved rubrics to assess performance based on the observable NYS Teaching Standards. If your district has been granted a variance by NYSED through the variance process, select "district variance" from the menu.

If your district/BOCES is using an additional rubric, please select the rubric from the second menu below. If your district/BOCES will not use a second rubric, please select "N/A" from the end of the drop-down menu. (Note: Any district/BOCES may use multiple rubrics, as long as the same rubric is used for all classroom teachers in a grade/subject across the district/BOCES.)

##### Rubric 1

##### Rubric 2

#### 4.2) Assurances

Please check all of the boxes below:

|  |         |
|--|---------|
| Assure that all observable NYS Teaching Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual observations.  | Checked |
| Assure that the process for assigning points for the Teacher Observation category will be in compliance with the locally-determined subcomponent weights and overall Observation category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents. | Checked |
| Assure that the same rubric(s) is used for all classroom teachers in a grade/subject across the district/BOCES; provided that districts/BOCES may locally determine whether to use different rubrics for teachers who teach different grades and/or subjects during the school year.                                     | Checked |
| Assure that the same rubric(s) is used for all observations of a classroom teacher across the observation types in a given school year.  | Checked |

#### 4.3) Process for Weighting Rubric Domains/Subcomponents

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged). For guidance on the Teacher Observation category, see NYSED APPR Guidance: <https://www.engageny.org/resource/appr-3012-d>.

All observable domains will be weighted equally and averaged.

#### 4.4) Calculating Observation Ratings

Please check the boxes below:

|   |               |
|---|---------------|
| Assure that each set of observations (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted observation score will then be converted into a HEDI rating using the chart shown below.  | Checked       |
| Assure that once all observations are complete, the different types of observations will be combined using a weighted average consistent with the weights specified in task 4.5 below, producing an overall Observation category score between 0 and 4. In the event that a teacher earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned. | Checked       |
| Assure that if the district is granted an annual Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.                          | (No response) |

#### Teacher Observation Scoring Bands

|          | Overall Observation Category Score and Rating |              |

##### Optional Subcomponent:

- **Observations by Trained Peer Observer(s): No more than 10% of the Teacher Observation category score when selected**

Please be sure the total of the weights indicated equals 100%.

*\* If the district is granted an annual Independent Evaluator Hardship Waiver by the Department, this subcomponent will be satisfied through the use of one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.*

\* If a teacher is rated Ineffective on the Student Performance category, and a State-designed supplemental assessment was included as an Optional subcomponent of the Student Performance category, the teacher can be rated no higher than Ineffective overall (see Education Law §3012-d (5)(a) and (7)).

### 5.3) Assurances

Please check all of the boxes below:

## Task 6. Additional Requirements (Teachers)

Created: 04/30/2013

Last updated: 10/26/2015

Please note, within this section, tasks 6.2 (improvement plan), 6.4 (appeals language) and 6.6 (training language) may contain information from your plan as it existed on June 2, 2015.\* The remaining tasks in this section will not contain data from your previous plan and must be completed. Additionally, task 6.6 must be modified to address training of independent evaluators and, as applicable, peer observers.

\* Please note that documents and language will not be pre-populated into the plan if your district/BOCES chose to start with a blank application.

#### 6.1) Assurances: Teacher Improvement Plans

|  |         |
|--|---------|
| Assure that the district/BOCES will formulate and commence implementation of a Teacher Improvement Plan (TIP) for all teachers who receive a Developing or Ineffective rating by October 1 following the school year for which such teacher's performance is being measured or as soon as practicable thereafter.  | Checked |
| Assure that TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, shall include: identification of needed areas of improvement, a timeline for achieving improvement, the manner in which the improvement will be assessed, and, where appropriate, differentiated activities to support a teacher's improvement in those areas. | Checked |

#### 6.2) Attachment: Teacher Improvement Plan Forms

As a required attachment to this APPR plan, upload the TIP forms that are used in the school district/BOCES. All TIP plans developed and implemented by the superintendent or his/her designee, in the exercise of his/her pedagogical judgment, must include:

- 1) identification of needed areas of improvement;
- 2) a timeline for achieving improvement;
- 3) the manner in which the improvement will be assessed; and, where appropriate,
- 4) differentiated activities to support a teacher's improvement in those areas.

For a list of supported file types, go to the Resources folder (above) and click Technical Tips. Please be sure to update a document with a form layout, with fillable spaces and not just a narrative.

#### 6.3) Assurance: Appeals

Please check the box below:

|   |         |
|---|---------|
| Assure the district/BOCES has collectively bargained appeal procedures that are consistent with the regulations and that they provide for the timely and expeditious resolution of an appeal. | Checked |
|---|---------|

#### 6.4) Appeals

Pursuant to Education Law §3012-d, a teacher may only challenge the following in an appeal to their district/BOCES:

- (1) the substance of the annual professional performance review; which shall include the following:
  - (i) in the instance of a teacher rated Ineffective on the Student Performance category, but rated Highly Effective on the Observation category based on an anomaly, as determined locally;
- (2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and
- (3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

The following procedures are the exclusive means for initiating, reviewing and resolving any and all challenges and appeals related to a teacher's performance review.

- (1) A teacher who receives a rating of "developing" or "ineffective" may appeal his or her performance review. Ratings of "highly effective" or "effective" cannot be appealed.
- (2) A teacher may initiate an appeal based on the substance of his or her performance review, the school district's adherence to standards and methodologies required for such reviews, adherence to applicable regulations of the commissioner of education, and compliance with the procedures for the conduct of performance reviews set forth in the annual professional performance review plan.
- (3) A teacher may not file multiple appeals regarding the same performance review. All grounds for appealing a particular performance review must be raised within the same appeal. Any grounds not raised at the time the appeal is filed shall be deemed waived.
- (4) Appeals concerning a teacher performance review must be filed no later than fifteen (15) days of the date when the teacher receives it.
- (5) A teacher wishing to initiate an appeal must submit, in writing, to the Superintendent or his/her designee, a detailed description of the precise point(s) of disagreement over his or her performance review, along with any and all additional documents or written materials that he or she believes are relevant to the resolution of the appeal. Any such additional information not submitted at the time the appeal is filed shall not be considered in the deliberations related to the resolution of the appeal.
- (6) Under this appeals process the teacher bears the burden of proving by substantial evidence the merits of his or her appeal.
- (7) The Superintendent or his or her designee shall issue a written decision on the merits of the appeal no later than thirty (30) days from the date when the teacher filed his or her appeal.
- (8) The decision of the Superintendent or the Superintendent's designee shall be final and an appeal shall be deemed completed upon the issuance of that decision. The decision of the Superintendent or the Superintendent's designee shall not be subject to any further appeal.
- (9) Teacher Improvement Plans - The process outlined above will also be used for any and all appeals of Teacher Improvement Plans that are issued in accordance with the annual professional performance review plan. The Little Falls City School District will allow appeals for the implementation, as well as the issuance, of a Teacher Improvement Plan. Appeals are limited to issues regarding compliance with the requirements prescribed in applicable law and regulations for the issuance of improvement plans, and must be initiated within fifteen (15) days of the alleged failure of the District to comply with such requirements.

## 6.5) Assurance: Evaluators

|  |         |
|--|---------|
| The district/BOCES assures that all evaluators will be properly trained and lead evaluators will be certified on the below elements prior to completing a teacher's evaluation. Note: independent observers and peer observers need only be trained on elements 1, 2, and 4 below. | Checked |
|--|---------|

- (1) The New York State Teaching Standards, and their related elements and performance indicators and the Leadership Standards and their related functions, as applicable
- (2) Evidence-based observation techniques that are grounded in research
- (3) Application and use of the student growth percentile model and any other growth model approved by the Department as defined in section 30-3.2 of this Subpart
- (4) Application and use of the State-approved teacher rubric(s) selected by the district/BOCES for use in evaluations, including training on the effective application of such rubrics to observe a teacher's practice
- (5) Application and use of any assessment tools that the school district/BOCES utilizes to evaluate its classroom teachers
- (6) Application and use of any locally selected measures of student growth used in the Optional subcomponent of the Student Performance category used by the district/BOCES to evaluate its teachers
- (7) Use of the Statewide Instructional Reporting System
- (8) The scoring methodology utilized by the Department and/or the district/BOCES to evaluate a teacher under this Subpart, including the weightings of each subcomponent within a category; how overall scores/ratings are generated for each subcomponent and category and application and use of the evaluation matrix(es) prescribed by the Commissioner for the four designated rating categories used for the teacher's overall rating and their category ratings
- (9) Specific considerations in evaluating teachers of English language learners and students with disabilities

## 6.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators. Your description must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers,
- 2) the process for the certification and re-certification of lead evaluators,
- 3) the process for ensuring inter-rater reliability,
- 4) the nature (content) and the duration (how many hours, days) of such training.

All training will be conducted by the Herkimer-Fulton-Hamilton-Otsego BOCES staff, NYS Council of School Superintendents or an other entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same. The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for lead evaluators and independent evaluators.

The training will address all nine of the required elements found in Section 30-3.10b of the Regents Rules. The independent evaluators will receive the same training. The District anticipates that these protocols will include measures such as: data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators.

The duration of any and all training will be consistent or surpass the requirements of those trained by the New York State Education Department and will be conducted by the Assistant Superintendent of HFHO BOCES. Each year the lead evaluators and independent evaluators will participate in a minimum of 3 hours of training in the district. All lead evaluators and independent evaluators will be re-certified yearly and all new lead evaluators and evaluators will receive full training as required by law.

Based upon the participation in these activities, District lead evaluators and independent evaluators will be certified by the Superintendent and Board of Education annually.

### 6.7) Assurances: Teacher Evaluation

Please check all of the boxes below:

|  |         |

| Assure that if the district is granted an annual Independent Evaluator Hardship Waiver by the Department, the second observation(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the observation(s) required to be performed by the principal/supervisor or other trained administrator.   | Checked |

### 6.8) Assurances: Assessments

Please check all of the boxes below:

|   |         |
|---|---------|
| Assure that, where applicable, if students in Common Core courses are taking both the 2005 Learning Standards and Common Core versions of the Regents Assessment, then the district/BOCES will use the higher of the two scores to determine whether a student has met his/her growth target.                 | Checked |

# Task 7. Student Performance – Required Subcomponent

Created: 04/30/2013

Last updated: 10/21/2015

For guidance on the Required subcomponent of the Student Performance category, see NYSED APPR Guidance:  
<https://www.engageny.org/resource/appr-3012-d>.

## Page 1

### REQUIRED SUBCOMPONENT

(100% of Student Performance category if only the Required subcomponent is used or at least 50% when used with Optional subcomponent)

**(A) For a principal in grades 4-8 ELA, math and/or high school courses with State or Regents assessments (or principals of programs with any of these assessments) who have at least 30% of his/her students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model.**

**(B) For a principal where less than 30% of his/her students are covered under the State-provided growth measure, such principal shall have a Student Learning Objective (SLO), consistent with the SLO process determined or developed by the Commissioner, that results in a student growth score; provided that, for any principal whose building or program includes courses that end in a State-created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO.**

### 7.1) STATE-PROVIDED MEASURES OF STUDENT GROWTH

For principals with at least 30% of their students covered under a State-provided growth measure, such principal shall have a State-provided growth score based on such model. Please list the grade configurations of the school(s)/program(s) in your district/BOCES where it is expected that 30-100% of a principal's students are taking assessments with a State-provided growth, (e.g., K-5, PK-6, 6-8, 6-12, 9-12, etc.). For principals where less than 30% of their students are covered under a State-provided growth measure, such principals shall have a SLO consistent with a goal setting process determined or developed by the Commissioner that results in a student growth score; provided that for any teacher whose course ends in a State created or administered assessment for which there is no State-provided growth model, such assessment must be used as the underlying assessment for such SLO. (See Guidance for more detail on principals with State-provided measures and SLOs.)

**For those principals who would typically receive a State-provided growth score, the district/BOCES must also include a back-up SLO process in the event that there are not enough students, not enough scores, or data issues that prevent a State-provided growth score from being calculated for that principal.**

Please list the grade configurations of the schools or principals where State-provided growth measures will apply (please list, e.g., K-5, PK-6, 6-8, 6-12, 7-12, 9-12). For each configuration, also indicate the measure and assessment(s) used for the back-up SLO.

**For each grade configuration indicate the following:**

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Use the checkboxes to indicate the State assessments or Regents exams used**

*Follow the examples below*

|--|---------|
| Assure that the growth score provided by NYSED will be used, where required.   | Checked |
| Assure that back-up SLOs will be set by the superintendent or another trained administrator for all principals who receive a State-provided growth score in the event that a State-provided growth score cannot be generated for that principal. | Checked |

### 7.2) STUDENT LEARNING OBJECTIVES

SLOs must be used for principals in buildings or programs in which fewer than 30% of students take Grades 4-8 ELA, math, and/or high school courses with State or Regents assessments. SLOs will be developed using the assessments covering the most students in the school or program and continuing until at least 30% of students in the school or program are covered by SLOs. For guidance on SLOs, see NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>. The district/BOCES must select the type of assessment that will be used with the SLO from the options below.

- If any grade/course in the building has a State-provided growth measure AND the principal must have SLOs because fewer than 30% of students in the building are covered, then the SLOs must begin first with the SGP results.
- Additional SLOs must then be set based on grades/subjects with State assessments for which there is no State-provided growth measure, where applicable.
- If additional SLOs are necessary, principals must begin with the grade(s)/courses(s) that have the largest number of students using school-wide student results from one of the following assessment options:
  - State-approved 3<sup>rd</sup> party assessment; or
  - State-approved district, regional, or BOCES-developed assessment.

#### For each grade configuration indicate the following:

- **Column 1: lowest grade that corresponds to the building or program**
- **Column 2: highest grade that corresponds to the building or program**
- **Column 3: measure used**
- **Once a measure is selected, a corresponding menu will appear for the selection of the name(s) of the assessment(s) used.**

Follow the example below

Grades K-3:

- lowest grade = K
- highest grade = 3
- measure = State or Regents assessment
- assessment = NYS Grade 3 ELA Assessment and NYS Grade 3 Math Assessment

| 97-100%          | 93-96% | 90-92% | 85-89%    | 80-84% | 75-79% | 67-74%     | 60-66% | 55-59%      | 49-54% | 44-48% | 39-43% | 34-38% | 29-33% | 25-28% | 21-24% | 17-20% | 13-16% | 9-12% | 5-8% | 0-4% |

### 7.4) Principals with More Than One Growth Measure

If educators have more than one State-provided growth score and rating, those scores and ratings will be combined into one score and HEDI rating for the Required Student Performance subcomponent provided by the Department. (Examples: Principals of K-8 schools with growth measures for ELA and math grades 4-8.)

If educators have more than one SLO (or a State-provided growth measure and an SLO), the measures will each earn a score from 0-20 points which districts/BOCES must weight proportionately based on the number of students in each SLO (or in the State-provided growth measure and the SLO). For more information on principals with more than one growth measure, please see NYSED APPR Guidance and NYSED SLO Guidance: <https://www.engageny.org/resource/appr-3012-d>.

### 7.5) Assurances

Please check all of the boxes below:

|  |         |
|--|---------|
| Assure that the principal has an SLO or a back-up SLO, where applicable, consistent with the goal setting process developed by the Commissioner that results in a student growth score.  | Checked |
| Assure that all growth targets represent a minimum of one year of expected growth, as determined by the superintendent or another trained administrator. Such targets, as determined by the superintendent or another trained administrator, may only take the following characteristics into account: poverty, students with disabilities, English language learners status and prior academic history. | Checked |
| Assure that all growth targets are approved by the superintendent or another trained administrator.  | Checked |
| Assure that any disagreement between parties regarding the content of the SLO, including the growth target, will be resolved by the superintendent or another trained administrator.   | Checked |
| Assure that if a principal's SLO is based on a small n size population and the district/BOCES chooses not to use the HEDI scoring bands listed in task 7.3, then the principal's 0-20 score and HEDI rating will be determined using the HEDI scoring bands specified by the Department in APPR Guidance.  | Checked |
| Assure that processes are in place for the superintendent to monitor SLOs.   | Checked |
| Assure that the final Student Performance category rating for each principal will be determined using the weights and growth parameters specified in Subpart 30-3 of the Rules of the Board of Regents.  | Checked |

### 7.6) Student Performance Subcomponent Weighting

- If the Optional subcomponent is not used, the Required subcomponent will comprise 100% of the Student Performance category.
- If the Optional subcomponent is used, the Required subcomponent must comprise at least 50% of the Student Performance category.

**Please indicate the use of the Optional subcomponent by checking the box below. Information related to the Optional subcomponent will be entered into Task 8.**

(Up to 50% of Student Performance category if selected)

Such second measure shall apply in a consistent manner, to the extent practicable, across all buildings with the same grade configuration or program in the district/BOCES and be either:

- (A) a second State-provided growth score on a State-created or administered test; provided that a different measure is used than that for the Required subcomponent in the Student Performance category, or
- (B) a growth score based on a State-designed supplemental assessment, calculated using a State-provided or approved growth model.

#### 9.2) Assurances

Please check all of the boxes below:

|  |         |
|--|---------|
| Assure that all observable ISLLC 2008 Leadership Standards/Domains of the selected practice rubric are assessed at least once a year across the total number of annual school visits.  | Checked |
| Assure that the process for assigning points for the Principal School Visit category will be in compliance with the locally-determined subcomponent weights and overall School Visit category score and rating based on the constraints prescribed by the Commissioner in Subpart 30-3 of the Rules of the Board of Regents. | Checked |
| Assure that the same rubric(s) is used for all principals in the same or similar programs or grade configurations across the district/BOCES; provided that districts/BOCES may locally determine whether to use different rubrics for a principal assigned to different grade level configurations or building types.        | Checked |
| Assure that the same rubric(s) is used for all school visits for a principal across the school visit types in a given school year.   | Checked |

#### 9.3) Process for Weighting Rubric Domains/Subcomponents

Please describe the process for weighting the observable domains/subcomponents of the chosen practice rubric (e.g., All observable components will be weighted equally and averaged). For guidance on the Principal School Visit category, see NYSED APPR Guidance:

All observable components will be weighted equally and averaged.

## 9.4) Calculating School Visit Ratings

Please check the boxes below:

|  |               |
|--|---------------|
| Assure that each set of school visits (by supervisor/other trained administrator, independent, or peer) will be completed using the selected practice rubric, producing an overall score between 1 and 4. The overall weighted school visit score will be converted into a HEDI rating using the chart shown below.  | Checked       |
| Assure that once all school visits are complete, the different types of school visits will be combined using a weighted average consistent with the weights specified in task 9.5 below, producing an overall School Visit category score between 0 and 4. In the event that a principal earns a score of 1 on all rated components of the practice rubric across all observations, a score of 0 will be assigned. | Checked       |
| Assure that if the district is granted an annual Independent Evaluator Hardship Waiver by the Department, the second school visit(s) shall be conducted by one or more evaluators selected and trained by the district, who are different than the evaluator(s) who conducted the school visit(s) required to be performed by the Superintendent/supervisor their designee.  | (No response) |

## Principal School Visit Scoring Bands

|          | Overall School Visit Category Score and Rating |              |
|----------|--|--------------|

|  |         |
|--|---------|
| Assure that the district/BOCES will formulate and commence implementation of a Principal Improvement Plan (PIP) for all principals who receive a Developing or Ineffective rating by October 1 following the school year for which such principal's performance is being measured or as soon as practicable thereafter.  | Checked |

|---|---------|

### 11.4) Appeals

Pursuant to Education Law §3012-d, a principal may only challenge the following in an appeal to their district/BOCES:

(1) the substance of the annual professional performance review; which shall include the following:

(i) in the instance of a principal rated Ineffective on the student performance category, but rated Highly Effective on the school visit category based on an anomaly, as determined locally;

(2) the school district's/BOCES' adherence to the standards and methodologies required for such reviews, pursuant to Education Law §3012-d; and

(3) the adherence to the regulations of the Commissioner and compliance with any applicable locally negotiated procedures, as well as the school district's/BOCES' issuance and/or implementation of the terms of the teacher or principal improvement plan, as required under Education Law §3012-d.

Describe the procedure for ensuring that appeals of annual performance evaluations will be handled in a timely and expeditious way:

Appeals of annual professional performance reviews will be limited to those that rate a principal as ineffective or Developing only where compensation decisions are linked to rating categories.

Upon rating a principal as ineffective or developing, an improvement plan designed to rectify perceived or demonstrated deficiencies must be developed and commenced no later than ten (10) school days after the start of a school year. The superintendent or designee, in conjunction with the principal:

1. A clear delineation of the deficiencies that resulted in the ineffective or developing assessment.
2. Specific improvement goal/outcome statements.
3. Specific improvement action steps/activities.
4. A reasonable timeline for achieving improvement.
5. Required and accessible resources to achieve goal.
6. A formative evaluation process documenting meetings strategically scheduled throughout the year to assess progress. These meetings shall occur at least twice during the year: the first between December 1 and December 15 and the second between March 1 and March 15. A written summary of feedback on progress shall be given within 5 business days of each meeting.
7. A clear manner in which improvement efforts will be assessed, including evidence demonstrating improvement.
8. A formal, final written summative assessment delineating progress made with an opportunity for comments by the principal.

#### CHALLENGES IN AN APPEAL:

Appeals are limited to those identified by Education Law 3012-d, as follows:

(1) The substance of the annual professional performance review;

(2) The school district's or board of cooperative educational services' adherence to the standards and methodologies required for such

reviews, pursuant to Education Law 3012-d and Subpart 30-3 of Commissioner's Regulations;

(3) The adherence to Commissioner's Regulations, as applicable to such reviews and compliance with any applicable locally negotiated procedures, as required under Education Law 3012-d;

(4) The school district's or board of cooperative educational services' issuance and/or implementation of the terms of the principal improvement plan under Education Law 3012-d.

#### RATINGS THAT MAY BE APPEALED:

Appeals of annual professional performance reviews may be brought for ineffective, developing or any rating tied to compensation. An appeal may only be initiated once a principal receives the overall composite rating.

#### PROHIBITION AGAINST MORE THAN ONE APPEAL

A principal may not file multiple appeals regarding the same performance review. The issuance of an improvement plan may prompt an appeal independent of the performance review. The implementation of an improvement plan may be appealed upon each alleged breach thereof. All grounds for appeal must be raised with specificity within such appeal. Any grounds not raised shall be deemed waived.

#### BURDEN OF PROOF

The burden shall be on the district to establish by the preponderance of the evidence that the rating given to the appellant was justified or that an improvement plan was appropriately issued and/or implemented.

#### TIME FRAME FOR FILING APPEAL

All appeals shall be filed in writing. The act of mailing the appeal shall constitute filing.

An appeal of a performance review must be filed no later than fifteen (15) business days of the date when the principal receives their final and complete annual professional performance review. If a principal is challenging the issuance of a principal improvement plan, appeals must be filed within fifteen (15) business days of issuance of such plan. An appeal of the implementation of an improvement plan shall be within fifteen (15) business days of the failure of the district to implement any component of the plan.

The failure to file an appeal within these timeframes shall be deemed a waiver of the right to appeal and the appeal shall be deemed abandoned. An extension of the time in which to appeal may be granted by the superintendent upon written request. Every effort will be made to file the appeal in a timely and expeditious manner consistent with Education Law 3012-d.

When filing an appeal, the principal must submit a written description of the specific areas of disagreement over his or her performance review, or the issuance and/or implementation of the terms of his or her improvement plan. Supportive evidence about the challenges may also be submitted with the appeal. Any additional documents or materials relevant to the appeal must be provided by the district upon written request for same.

#### TIMEFRAME FOR DISTRICT RESPONSE

Within ten (10) business days of receipt of an appeal, the district must submit a detailed written response to the appeal. The response must include all additional documents or written materials relevant to the point(s) of disagreement that support the district's response. Any such information that is not submitted at the time the response is filed shall not be considered on behalf of the district in the deliberations related to the resolution of the appeal. The principal initiating the appeal shall receive a copy of the response filed by the school district, and all additional information submitted with the response, at the same time the school district files its response. Additional material supporting the challenges may be submitted by the principal up to the date of the hearing.

#### DECISION PROCESS FOR APPEAL

Within five (5) business days of the district's response, a single individual hearing officer shall be chosen from the list of hearing officers approved mutually by the district and bargaining unit representing the principals.

The parties agree that:

- a. The hearing officer shall hear appeals in a timely manner after the appeal is made, but in no event shall it be less than five (5) business days or more than fifteen (15) business days after the hearing officer is selected.
- b. The hearing shall be conducted in no more than one (1) business day unless extenuating circumstances are present and the hearing officer agrees to a second day.
- c. The parties shall have the ability to be represented by either legal counsel, union representative, or appear pro se.
- d. The parties shall exchange an anticipated witness list no less than two (2) business days before the scheduled hearing date.
- e. The principal shall have the prerogative to determine whether the appeal shall be open to the public or not.
- f. The district shall have the opportunity to present its case supporting the rating or improvement plan and then the principal may refute the presentation. These may include the presentation of material, witnesses and/or affidavits in lieu of testimony.

#### DECISION

A written decision on the merits of the appeal shall be rendered no later than ten (10) business days from the close of the hearing. Such decision shall be a final administrative decision.

The decision shall set forth the reasons and factual basis for the determination on each of the specific issues raised in the appeal. The reviewer must either, affirm, set aside or modify a district's rating or improvement plan. A copy of the decision shall be provided to the principal and the district representative.

#### EXCLUSIVITY OF SECTION 3012-d APPEAL PROCEDURE

This appeal procedure shall constitute the means for initiating, reviewing and resolving challenges to a principal performance review. A principal may not resort to any other contractual grievance procedures for the resolution of challenges and appeals related to a professional performance review.

## **11.6) Training of Lead Evaluators, Evaluators, Independent Observers, and Peer Observers and Certification of Lead Evaluators**

Describe the process for training evaluators, including impartial and independent observers and peer observers, and certifying and re-certifying lead evaluators. Your description must include:

- 1) the process for training lead evaluators and evaluators, including impartial independent observers and peer observers,
- 2) the process for the certification and re-certification of lead evaluators,
- 3) the process for ensuring inter-rater reliability,
- 4) the nature (content) and the duration (how many hours, days) of such training.

The District will work to ensure that lead evaluators and independent evaluators will be properly trained for certification and will maintain inter-rater reliability over time and that they are re-certified on a regular basis and receive updated training on any changes in the law, regulations or applicable collective bargaining agreements.

All training will be conducted by Herkimer-Fulton-Hamilton-Otsego BOCES staff, NYS Council of School Superintendents or an other entity that has expertise on the State's APPR law and regulation. The training will be on a schedule as recommended by the same. The training will include a process to maintain inter-rater reliability over time in accordance with NYSED guidance and protocols recommended in training for lead evaluators. The District anticipates that these protocols will include measures such as: data analysis; periodic comparisons of assessments; and/or annual calibration sessions across evaluators. The training will address all nine of the required elements found in section 30-3.10c of the Regents Rules.

Independent evaluators will receive the same training. The duration of any and all training will be consistent or surpass the requirements of those trained by the New York State Education Department and will be conducted by the Assistant Superintendent of HFHO BOCES. Each year the lead evaluators and independent evaluators will participate in a minimum of 3 hours of training in the district.

All lead evaluators and independent evaluators will be certified/re-certified yearly and all new lead evaluators will receive full training as required by law.
